

## New York Roadway and Infrastructure Coalition

April 20, 2021

Dear NYRIC Members:

As you know, as the first portion of our first ever web based NYRIC Congressional Delegation “reception,” in place of our annual Capitol in-person event, we hosted a very successful Zoom webex with Senator Schumer last week. The Majority Leader shared his candid thoughts about the Jobs for America Act and other infrastructure legislation critical to the health of our industry and our State. Nearly 125 individuals from our member firms, union partners, and state and city transportation officials, attended.

The next portion of our virtual reception will take place over two hours on **Wednesday, May 5<sup>th</sup>** when we will hear from the **four members of the New York Delegation who sit on the House Transportation & Infrastructure Committee.**

We will be hosting **Rep. Sean Patrick Maloney (D-NY-18)** and **Rep. Antonio Delgado (D-NY-19)** at 2 p.m., followed by **Rep. John Katko (R-NY-24)** and **Rep. Nicole Malliotakis (R-NY-11)** at 3 p.m.

We invite you to join us online. However, all participants must first [register online here](#). Each registrant will then receive a confirmation email with a personalized link for the calls.

We look forward to having robust participation and a constructive and informative event on the 5<sup>th</sup>, and hope to see you on then.

Sincerely,
